needs of commercial clients.

The Dominion provides comprehensive insurance coverage to businesses of all sizes, across a variety of industries. Our offices across Canada allow us to provide tailored coverage and local knowledge based on the unique requirements of your business and community. Insuring Canadians since 1887, The Dominion has prospered through more than a century of economic change to earn a reputation for financial stability, integrity and strength. We are committed to providing consistent and trusted service to each of our policyholders. We foster long-term relationships and consistently deliver superior protection against unexpected loss. Your business and its assets will be protected.

Our Products

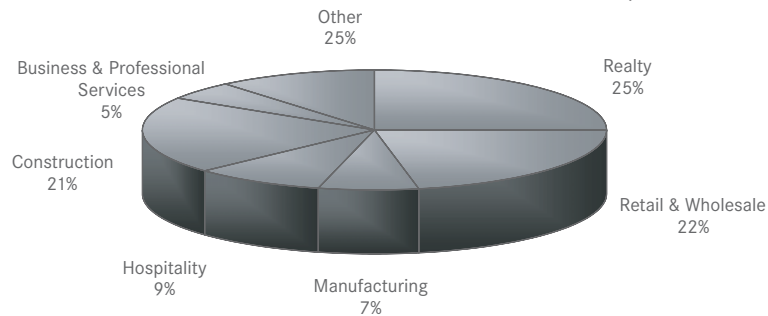

The Dominion's products are tailored to be as broad or narrow in focus as your needs dictate. As a committed underwriting company, we select quality risks and offer competitive pricing and terms. The Dominion assesses and underwrites each business on its own merits, and provides flexible coverage to protect your business and its assets.

Commercial Automobile

Our Commercial Automobile business ranges from single owner-operated artisan vehicles to large fleet operations. The Dominion also insures garage automobile policies, which include service stations, repair garages, auto body shops and automobile dealerships.

Commercial Property / Liability

The Dominion has both the underwriting and loss control expertise to underwrite risks in a broad range of classifications. We provide custom products for a variety of specific industry segments, which are highlighted in our portfolio breakdown below. These segments include realty, retail, wholesale, manufacturing, hospitality, construction and other business and professional services.

Small Business Solutions

E-CLIPS is The Dominion's product designed to meet the needs of most small to mid-sized businesses. Your broker can help you choose the right combination of coverage to satisfy your needs of today. As your business requirements change, E-CLIPS offers coverage to suit your evolving needs.

Surety

The Dominion is a recognized leader in the underwriting of surety bonds for Canadian construction and manufacturing industries, as well as for individuals, businesses and organizations.

Service You Can Trust

When you insure with The Dominion, you have done so at the recommendation of your insurance broker. We strongly believe consumers should have access to independent, professional advisors, who provide advocacy and choice, which is why we distribute our products exclusively through independent brokers.

We will be there for you when you need us, because at The Dominion, we know that it's all about relationships and that our relationship with you comes first. Should you ever have a claim, we will contact you within 4 hours of being notified, and our claims emergency service is available 24 hours a day. Your commercial business policy with The Dominion is backed by an extra measure of security: our Repair Satisfaction Guarantee. It promises that, in the event of a claim, we will not rest until you are satisfied with the quality of the repairs we arrange for your damaged assets.

Loss Control Expertise

The Dominion is committed to helping you manage the risks involved in your business operations. Our loss control coordinators are trained to assist you in identifying the risk factors that could impair your business operations and will provide recommendations on how to reduce the risk. We pride ourselves on our excellent risk management services, and will work with you to improve the security of your business environment. As we apply our expertise to the specific circumstances of your business, you will quickly see why The Dominion has become the preferred choice of knowledgeable business owners across Canada.
